

2025-2026 SUMMER FOOD SERVICE PROGRAM

LETTER TO PARENTS

Dear Parent or Guardian:

The Summer Food Service Program, a federal program of the United States Department of Agriculture (USDA), provides nutritious meals to preschool and school age children during the summer months. In this program, all meals are served free. The opportunity for your child to receive nutritious meals and snacks from the Summer Food Service Program should not be missed. Sound nutrition plays an important role in a child’s physical and educational development.

Eligibility: Your cooperation is vital to qualify your child for this program. Public Law 97-35 requires documentation of eligibility of children in certain types of Summer Food Service Programs. In order to be eligible for this funding, our program must maintain a record of family size and income of all participants. The Income Eligibility Scale for free and reduced-price meals is included in this letter for your information. If your income is less than or equal to the free or reduced-price standards, your child is eligible for free meals from the Summer Food Service Program which means increased reimbursement for our program and increased nutritional benefits for your child.
